

*Dear Voter,*

I am grateful to be writing to tell you of my candidacy in the Douglas South by-election.

The Isle of Man is facing some difficult times ahead. I commit to protecting livelihoods, the nation's health and all the good things we like about living on our island.

As your MHK, I will use my political and campaigning experience to strive for sustainable environmental solutions and help build with you a fairer, greener, brighter future for Douglas South.

- ✓ **Experienced** – Sixteen years' experience as a Local Government Commissioner for Braddan Commissioners and over six years as Chair of the Commissioners.
- ✓ **Sustainable** – I will always strive for sustainable outcomes in transport, housing, waste, energy, community, health, education and the economy.
- ✓ **Solutions** – Using my experience and knowledge to focus on sustainable solutions that will benefit the residents of Douglas South.

I am out and about door knocking but if I miss you and you wish to speak to me, you can contact me and follow my campaign updates in the following ways: -
